

Dear Parents,

July 18th, 2022.

Welcome to Dance with Mara's 32nd Dance Season!

We are excited and looking forward to our upcoming dance season. We will continue to provide a positive and encouraging environment where students can progress and develop their skills while also enjoying the experience. Classes will be offered in ballet, tap, jazz, hip hop, acro, musical theatre and lyrical. We also have a dance team for our more serious, committed dance students. Although we are a non-competitive studio our classes are progressive and students are placed according to skill level and age.

If your child is a returning student, their class level will be emailed to you. For new students, please either email or come by the studio during one of our registration dates to discuss placement.

Our photographer will be at the studio to take picture orders on registration dates AND recital videos that were ordered can be picked up.

Registration dates at the studio:
